

Sec. 3-1-3
Ditches.

Removal of Weeds, Debris, etc., from Roadside

(1) No owner of land shall permit weeds or high grass to grow on the lands between his lot line and the traveled portion of the road abutting his property, nor shall such owner place or allow the accumulation of trash, rubbish or other obstructions and material within this area, including the drainage ditches which shall be kept free of weeds, tall grasses, trash and debris.

(2) The Director of Public Works shall enforce these provisions and if any owner of land fails to comply herewith, the Director shall give such owner a written order directing that the trash, rubbish, weeds, tall grass or debris or other obstruction be removed within 5 days of receipt of the order. The owner shall have the right to appeal the order to the Town Council within 5 days of receipt thereof, or the order shall be final. The Town Council may affirm, reverse or modify the order. The Town Council's decision shall be reviewable by certiorari within 20 days after its determination or it shall be final.
